WEDDING RINGS

Beautiful Wedding Rings, Amazing Prices!

➔ **Majestic Jewellery** is proud to announce the UK launch of its award-winning diamond jewellery range at this year's IJL. Majestic's jewellery – which has worldwide design patents and won Best in Show at Las Vegas – features precision diamonds cut to within 1/100mm and invisibly set under a microscope, resulting in a seamless jewel with all the splendour of a single large diamond. The Majestic collection offers a variety of classic shapes, such as round, pear, marquise, oval, heart and radiant, all set as rings, earrings, pendants and bracelets in 18-carat white gold.
